

New for 2019
1000 HP
YENKO/SC® Stage II Corvette

THE ULTIMATE CORVETTE EXPERIENCE...

In 1969 the muscle car wars were in full swing, with GM, Ford and Chrysler each developing their own big-block powered performance cars. Not to be outdone, Chevrolet's Central Office Production Order (COPO) system produced a limited run of Camaros with the now infamous ZL-1 all-aluminum big-block engine, *and just two very rare ZL-1 factory-built Corvettes.*

Now in the spirit of those awesome ZL-1 Corvettes, Specialty Vehicle Engineering will build **25** of these new-for-2019 YENKO/SC® Stage II 1000HP and **25** Stage I 835HP Corvettes, and they'll all go very fast.... literally!

2019 YENKO/SC® 1000HP STAGE II CORVETTE SHOWN

**... FROM THE #1 GM SPECIALTY
VEHICLE MANUFACTURER!**

For more than 25 years, Specialty Vehicle Engineering (formerly SLP) has been a Second Stage Vehicle Manufacturer and Tier One Supplier to GM and its dealers, having built over 55,000 cars, trucks, and SUV specialty vehicles; making us the #1 GM Specialty Vehicle Manufacturer in the USA! That's why our company was chosen as the exclusive builder of the current generation YENKO Supercars!

AN AMERICAN-MADE SUPERCAR

To maximize engine performance, there is no substitute for cubic inches or supercharging. That's why Specialty Vehicle Engineering developed its own supercharged custom-built 416 C.I.D. (6.8L) engine, based on the production 6.2 Liter LT-1 engine, that's included in all of our YENKO Stage I 835HP, and Stage II 1000HP Corvettes.

This powerhouse Stage I engine delivers 835HP with 770 lb-ft of torque, and features a blueprinted LT-1 Aluminum Block, computer-balanced race-quality rotating assembly, including forged 4340 steel crankshaft and H-beam rods, forged aluminum pistons, CNC ported LT-1 cylinder heads, and a custom supercharger, utilizing an upgraded fuel system and injectors. We now offer an optional PowerPak upgrade (Stage I only) that includes long-tube SS headers and X-pipe, LT4 fuel pump, smaller supercharger pulley & belt, and new calibration for an additional 40 horsepower!

**The YENKO/SC® 835HP Stage I vehicle package is not emission legal in California, and can only be legally used while participating in sanctioned motorsports racing events.*

UNIQUELY STYLED YENKO/SC® SIDE STRIPE GRAPHICS ARE AVAILABLE IN A VARIETY OF COLORS TO COMPLEMENT ALL FACTORY CORVETTE BODY COLORS.

YENKO FENDER GRAPHICS ARE AVAILABLE IN COLORS TO MATCH THE CORVETTE'S BODY COLOR OR STRIPE COLOR.

YENKO BADGED BRAKE CALIPERS ARE AVAILABLE PAINTED TO MATCH THE BODY COLOR OR STRIPE COLOR. OPTIONAL CUSTOM COLORS ARE AVAILABLE.

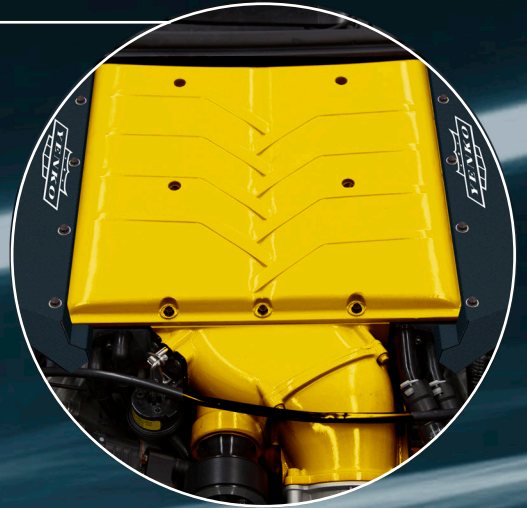

UNLIKE ANY OTHER!

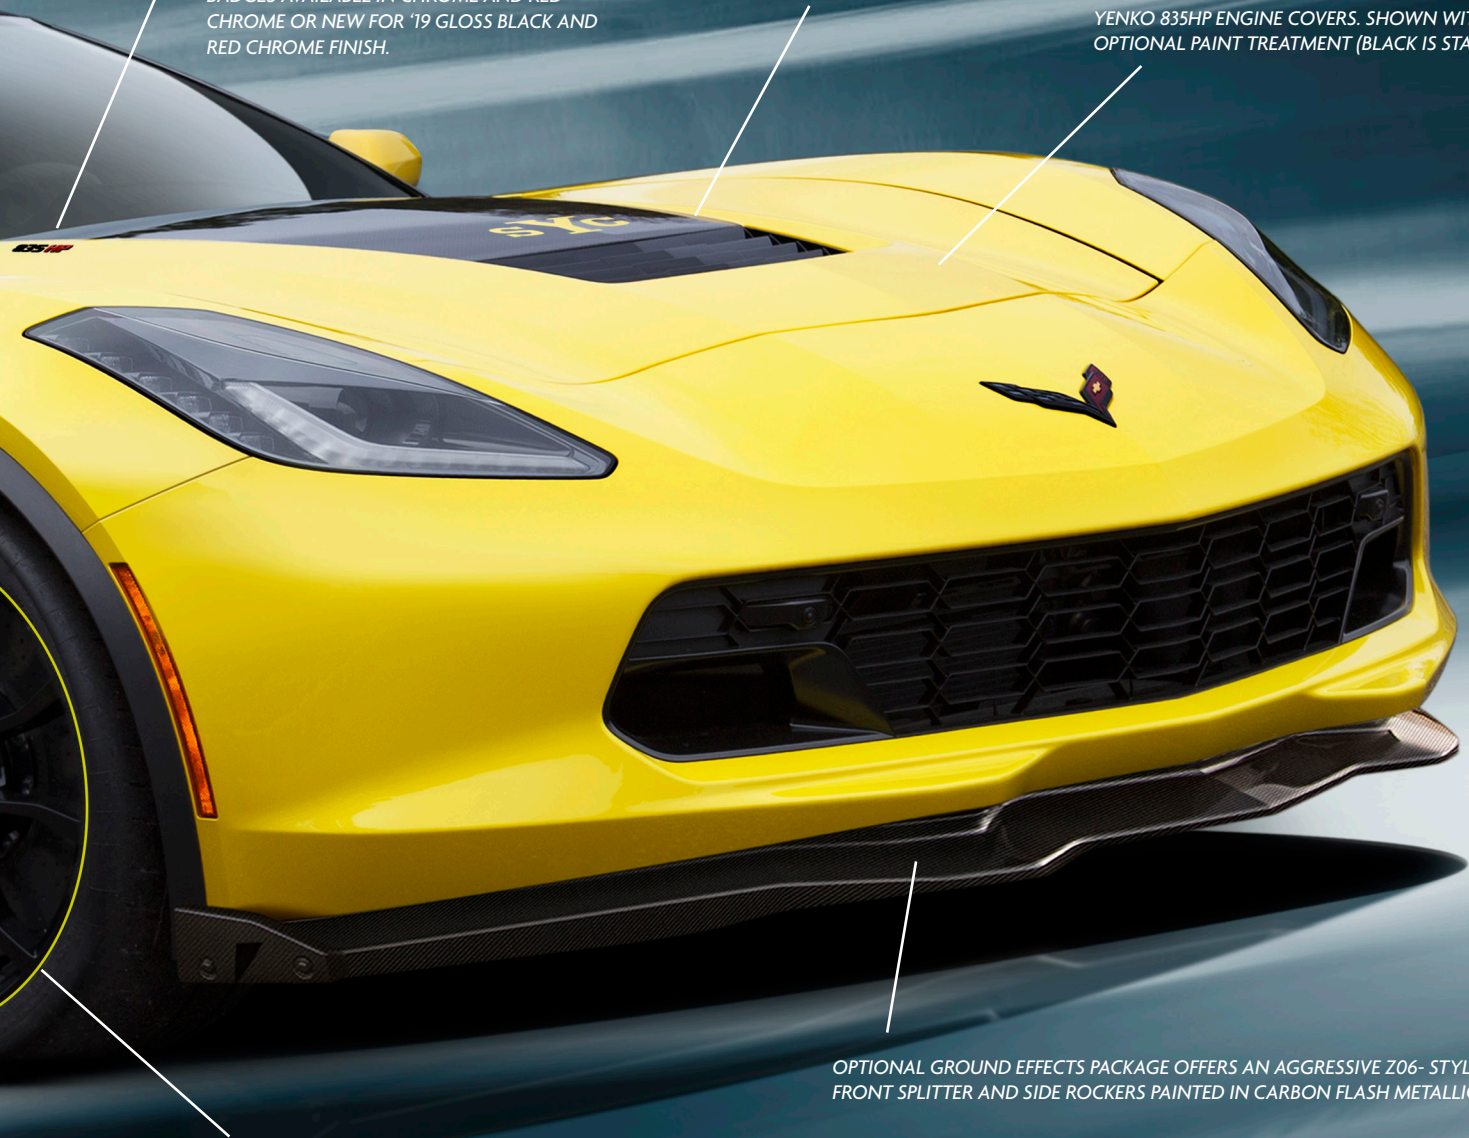

OE-QUALITY HOOD COWL AND REAR FASCIA BADGES AVAILABLE IN CHROME AND RED CHROME OR NEW FOR '19 GLOSS BLACK AND RED CHROME FINISH.

SYC HOOD GRAPHICS WITH MATCHING HOOD GRILLE PAINT.

835HP STAGE 1 SUPERCHARGER WITH CUSTOM YENKO 835HP ENGINE COVERS. SHOWN WITH OPTIONAL PAINT TREATMENT (BLACK IS STANDARD).

UNIQUELY STYLED YENKO/SC® SIDE STRIPE GRAPHICS ARE AVAILABLE IN A VARIETY OF COLORS TO COMPLEMENT ALL FACTORY CORVETTE BODY COLORS.

The Stage II 1000HP YENKO Corvette with automatic transmission also includes a Heavy-duty transmission upgrade that comes with a 12 month/12,000 mile transmission warranty. This same transmission upgrade is an available option on the YENKO Stage I Corvette with automatic transmission, and also includes the 12 month/12,000 mile Warranty.

**The YENKO/SC®1000HP Stage II vehicle package is not emission legal in California, and can only be legally used while participating in sanctioned motorsports racing events.*

YENKO BADGED BRAKE CALIPERS ARE AVAILABLE PAINTED TO MATCH THE BODY COLOR OR STRIPE COLOR. OPTIONAL CUSTOM COLORS ARE AVAILABLE.

OPTIONAL BLACK POWDER COATED WHEEL FINISH W/PAINTED WHEEL STRIPES TO MATCH SIDE STRIPES OR BODY COLOR.

DESTINED TO BECOME A TRUE CLASSIC!

The Limited Edition 2019 YENKO/SC® Stage I and Stage II Corvettes are available in *coupe or convertible models with either manual or automatic transmissions in any factory Corvette color*, and are available exclusively through GM dealers throughout the US and Canada.

We based it off the Grand Sport model that includes all of the great handling, appearance, and body components featured on the Z06, to properly balance the awesome power of the 835HP and 1000HP supercharged engines – features that include Brembo brakes with 14.6” rotors and 6-piston calipers in front, and 14.4” two-piece steel rotors with 4-piston calipers in the rear (Z07 Ceramic Brake option from GM is recommended on Stage II cars); Magnetic Ride Control; performance-calibrated stabilizer bars; limited-slip differential; dry sump oil system, 7-speed manual transmission with active rev match; available 8-speed paddle-shift automatic with specific performance calibration, wider rear fenders, plus many more Z06 performance components.

OR NEW FOR '19 BLACK FACE AND YENKO BADGE. (UTILIZES
FACTORY DUAL-MODE EXHAUST)

STYLING...

The interior styling of the 2019 YENKO/SC® Corvette makes these Specialty Vehicles even more unique. Both front seat headrests (1) and door panels (2) feature the sYc® logo in black or gray, depending on the factory seat color. The bottom of the steering wheel (3) and seat trim* (4) also features the YENKO badge. The center console power badge (5) displays the car's build number as well as the horsepower and torque of this awesome Supercar. Both floor mats feature the YENKO Crest embroidered in silver stitching (6). The numbered billet aluminum door sill plates (7) remind everyone the car they're stepping into is a Supercharged YENKO.

*Only available on GM's optional Competition Sport Seats

... TO MAKE IT YOUR OWN!

YENKO/SC

Personalize your 2019 YENKO/SC® Corvette with a selection of 9 colors for the hood, roof, decklid and side stripes. The side stripe graphics are manufactured from OE-quality vinyl and are resistant to fading, cracking, and peeling. The hood stripe, hood vent, roof and decklid stripes are painted to match the side stripe graphics. With dozens of color combinations between the stripes and the Corvette factory body colors, there's a combination to suit your style.
