

2024
750HP SUPERCHARGED
YENKO/SC[®] CAMARO

WARNING: This vehicle produces excessive amounts of horsepower. Horsepower is addictive and can cause heart palpitations, feelings of exhilaration and euphoria.

THE **ULTIMATE** CAMARO EXPERIENCE...

SPECIALTY VEHICLE ENGINEERING INTRODUCES THE NEW FOR **2024 750HP YENKO/SC®** CAMARO. AVAILABLE ON 2024 LT1, 1SS AND 2SS CAMAROS IN COUPE AND CONVERTIBLE WITH AUTOMATIC OR MANUAL TRANSMISSION AND **EMISSION LEGAL IN ALL 50 STATES** (E.O. PENDING)

The production 6.2L engine is completely blueprinted during the assembly process to ensure that it meets all factory production specifications and features a 3.0L twin-screw supercharger that reaches over 100% volumetric efficiency as well as a massive oversized air-to-water intercooler for unmatched cooling capacity. A dual pass heat exchanger is utilized up front for incredible recovery time and consistent cool temps. Its unique intercooled bypass system offers better acceleration and less than 1hp of power consumption during cruising for excellent fuel economy. This new system also features an aluminum high-flow intake manifold, high-flow supercharger cooling system, billet idler plate, and adjustable idler system. The supercharger housing is available in standard textured black finish or custom color options, allowing you to customize the engine compartment for a show-quality finish.

HIGH-OUTPUT SUPERCHARGER WITH 750HP SUPERCHARGED BADGES. SHOWN WITH OPTIONAL BODY COLOR PAINT TREATMENT (STANDARD COLOR IS BLACK).

REQUIRES 91 OCTANE OR HIGHER PUMP GAS

...FROM THE **#1** GM SPECIALTY VEHICLE MANUFACTURER!

Shown with optional front splitter

To maximize engine performance, there is no substitute for supercharging. That's why Specialty Vehicle Engineering developed its own 3.0L custom supercharger and a 50 State emission-legal calibration for the production blueprinted 6.2 Liter LT-1 engine that's included in all of our **2024 YENKO® Camaro cars**. These Limited Edition (**50**) YENKO/SC® specialty vehicles are only available exclusively from GM dealers throughout the USA and Canada.

ICONIC YENKO® EMBLEMS ARE PROUDLY DISPLAYED ON THE FRONT GRILLE, FENDERS, AND REAR PANEL TO LET EVERYONE KNOW THIS IS NO ORDINARY CAMARO.

LOOKS FAST..

The body color painted carbon fiber hood with exposed carbon fiber scoop. sYc® logo and **750HP** badges on the cowl will make the competition think twice.

Shown with optional front splitter

Shown with optional blade spoiler

Optional YENKO® logo front 6-piston brake calipers in standard red. Standard factory red Brembo 4-piston front brake calipers include YENKO® logo. Custom colors for both factory and optional calipers are available.

Forged billet light-weight multi-spoke aluminum wheels are available in 2 finishes (brushed aluminum or matte black) with silver sYc centercap graphics (custom colors optional). Red line stripes for matte black finish wheels shown are optional. Included Nitto 285/30ZR20 front and 305/30ZR20 rear ultra-high performance tires will get you off the line quickly, providing stability for straight line performance and confidence in the corners.

...STANDING STILL!

AN AMERICAN-MADE SUPER

For more than **30** years, Specialty Vehicle Engineering has been a Second Stage Vehicle Manufacturer and Tier One Supplier to GM and its dealers, having built over **65,000** cars, trucks and SUV specialty vehicles; making us the #1 GM Specialty Vehicle Manufacturer in the USA!

Now in the spirit of those awesome Muscle Cars Chevrolet built back in 1969, Specialty Vehicle Engineering will build **50** of these 2024 YENKO/SC® **750HP** Camaros in coupe or convertible models with automatic or manual transmissions and they'll all go very fast...literally!

CAR *UNLIKE ANY OTHER!*

Shown with optional blade spoiler and front splitter

DESTINED

The 2024 YENKO/SC® Camaro's unique appearance will get everyone's attention instantly. The exciting YENKO® side stripes make a dramatic statement, along with the body color painted carbon fiber hood with exposed carbon fiber hood scoop that blends perfectly with the lines of the Camaro. The custom **750HP** badges on the raised hood scoop cowl and decklid spoiler will make the competition think twice.

This very limited edition **(50)** YENKO/SC® Camaro is available for 2024 LT1, 1SS, and 2SS models in coupe and convertible models with manual or automatic transmission.

TO BECOME A **TRUE CLASSIC!**

Shown with optional blade spoiler

...TO MAKE IT YOUR OWN!

In addition to its awesome horsepower, the 2024 750HP YENKO/SC® Camaro includes many unique interior and exterior features that set it apart from the stock Camaro. Features like the body color painted carbon fiber hood with exposed carbon fiber hood scoop, OE-quality 750HP badges, YENKO® crest badges and unique side stripes give the exterior an instantly recognizable appearance. The interior also displays the YENKO® trademark with embroidered floor mats, headrest logos and a YENKO® crest power badge.

With 11 factory paint color choices, and 9 colors plus optional carbon fiber available for the sYc® side graphics, you can personalize your 2024 YENKO/SC® Camaro so it's really unique and more collectible. Custom graphic colors are also available and the same color can be added to the brake calipers and supercharger (optional). All of our graphics are made from OE-quality, UV resistant vinyl that won't fade, crack, or peel.
